

cbm New Zealand Impact Report 2016

Who is cbm

Our Vision

cbm envisions an inclusive world in which all persons with disabilities enjoy their human rights and achieve their full potential.

Our Mission

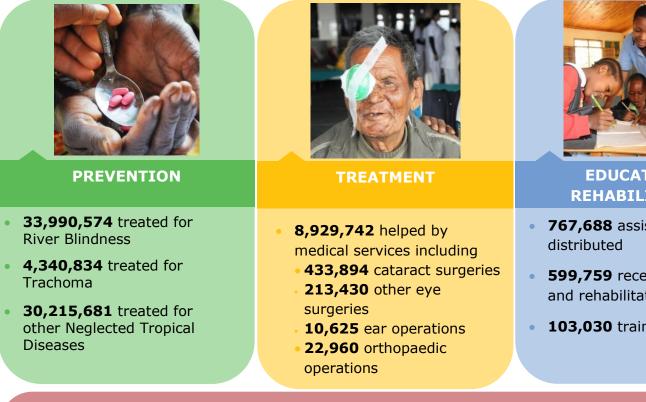

cbm is an international Christian development organisation, committed to improving the quality of life of persons with disabilities in the poorest countries of the world.

Based on its Christian values and over 100 years of professional expertise, **cbm** addresses poverty as a cause, and a consequence, of disability, and works in partnership to create a society for all.

Our Values

- Christian We aspire to follow the teachings of Jesus
 Christ
- International We are an international organisation
- **Professional** We aim for quality in what we do
- Integrity We are good stewards of our resources
- **Communication** We communicate honestly and respectfully
- Inclusion We practice and promote inclusion
