**Statement of Compliance and Responsibility for Annual Report
For the year ended 31 December 2023**

Approval

The Board is pleased to present the Annual Report of **cbm** New Zealand, including the Financial Report (comprising Statement of Service Performance and Financial Statements) for the year ended 31 December 2023.

Statement of Compliance

The Board of **cbm** New Zealand confirms that all the statutory requirements in relation to this Financial Report, as outlined in the Charities Act 2005, have been met.

Statement of Responsibility

The Board is responsible for the maintenance of adequate accounting records and the preparation and integrity of the Financial report and related information.

The independent external auditors, RSM Hayes Audit have audited the Financial Report and their report appears on pages 4 to 5.

The Board is also responsible for the systems of internal control. These are designed to provide reasonable but not absolute assurance as to the reliability of the Annual Report, and to adequately safeguard, verify and maintain accountability for assets, and to prevent and detect material misstatements.

Appropriate systems of internal control have been employed to ensure that all transactions have been executed in accordance with delegated authority and correctly processed and accounted for in the financial records. The systems are implemented and monitored by suitably trained personnel with an appropriate segregation of authority and duties. Nothing has come to the attention of the Board to indicate that any material breakdown in the functioning of these controls, procedures and systems has occurred during the year under review.

The Financial Report is prepared on a going concern basis. Nothing has come to the attention of the Board to indicate that **cbm** New Zealand will not remain a going concern in the foreseeable future.

In the opinion of the Board, the Financial Report which comprises the Statement of Service Performance and Financial Statements for the financial year ended 31 December 2023 fairly reflects the financial position, results, cash flows and service performance of the Trust.

Signed for and on behalf of the Board of Trustees:

Chair of Board of Trustees

Date 17th June 2024

Chair of Audit and Finance Committee

Date 17th June 2024

**Report from the Chair of the Board and CEO
For the year ended 31 December 2023**

*The inspiring work of **cbm** continues to attract supporters, and we are grateful for each and every one of you. Placed alongside another year of increased funding from MFAT, this means we once again show our highest revenue to date, and sustained high funding to international programmes.*

Our programmes range from inclusive education support in Madagascar and livelihoods for people with disabilities in Laos, through to eye surgeries, blindness prevention, and rehabilitation across the world.

We have made a lot of progress toward set up of an office in PNG and also responded to the 2023 drought in Kenya.

We are very grateful to our talented Board and staff, our volunteers, and our many supporters and partners. At the end of 2023, Susan Willis-Hirst retired from the Board after nine years, including three as Chair.

We began a two-year extension to our strategy this year, and our staff team has carried this out with conviction and skill, in service to our supporters and overseas partners.

Thank you for partnering with us as we seek to serve those with disabilities, most in need across the globe.

Andrew Smith and Hanre Becker
(Note: In Dec 2023, Andrew Smith stepped down as Chair, handing over to Hanre Becker).

*Welcome to the **cbm** NZ Annual Report 2023. We celebrate a year of achievement and growth that would not have been possible without big-hearted Kiwi supporters and a talented team.*

Thanks be to God, our funds sent to field partners remain high. We were successful in MFAT funding applications for PNG (with an increased women's empowerment focus), Kenya (drought response), and Rohingya refugees in Bangladesh. We were blessed with a large bequest, which will strengthen new programmes begun in the last two years.

*We expanded engagement with NZ churches, promoting awareness of disability, which will be ramped up in 2024. We've piloted digital projects to give new ways to connect. We installed a new database, which will increase our efficiency and supercharge our ability to understand supporter preferences. This will better enable **cbm** to be a channel for our donors to spread God's love and concern for people with disabilities across the world.*

We have strengthened capacity of our Pacific partners and organisations of people with disabilities. This has included appointing staff to a country office in PNG to help increase delivery, monitoring and reporting from our partners and to diversify partners. As climate change becomes a reality, we increasingly design adaptation and resilience into our programmes.

In 2023, I saw first hand the outstanding work of our partners working on fistula recovery and prevention of tropical diseases in Nigeria. I was impressed with the comprehensive programmes and I heard incredible stories of transformation.

I thank our Board, staff and our incredible partners everywhere. It's a great team. I'm particularly grateful for my senior leadership team - about to count off five years together. Thanks for joining with us in the service of people with disabilities, so that they can feel included and live a life they love.

Yours in Christ,

Murray Sheard
Chief Executive Officer

Independent Auditor's Report

To the Trustees of Christian Blind Mission International (New Zealand)

Opinion

We have audited the general purpose financial report (hereinafter referred to as 'financial report') of Christian Blind Mission International (New Zealand), trading as and referred to below as cbm New Zealand, which comprises the financial statements on pages 15 to 27 and the service performance information on pages 6 to 14. The complete set of financial statements comprises the statement of financial position as at 31 December 2023, the statement of comprehensive revenue and expense, the statement of changes in net assets/equity, the statement of cash flows for the year then ended, and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial report presents fairly, in all material respects:

- the financial position of cbm New Zealand as at 31 December 2023, and its financial performance, and its cash flows for the year then ended; and
- the service performance for the year ended 31 December 2023 in accordance with the entity's service performance criteria.

In accordance with Public Benefit Entity Standards Reduced Disclosure Regime issued by the New Zealand Accounting Standards Board.

Basis for opinion

We conducted our audit of the financial statements in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)) and the audit of the service performance information in accordance with the ISAs (NZ) and New Zealand Auditing Standard (NZ AS) 1 *The Audit of Service Performance Information*. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report.

We are independent of cbm New Zealand in accordance with Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand)* issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests, in cbm New Zealand.

Other information

The trustees are responsible for the other information. The other information comprises the Directory, Statement of Compliance and Responsibility for Annual Report and Report from the Board Chair and CEO on pages 1 to 3 (but does not include the financial report and our auditor's report thereon), which we obtained prior to the date of this auditor's report. Our opinion on the financial report does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial report, or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the trustees for the financial report

The trustees are responsible, on behalf of cbm New Zealand, for:

- (a) the preparation and fair presentation of the financial statements and service performance information in accordance with Public Benefit Entity Standards Reduced Disclosure Regime issued by the New Zealand Accounting Standards Board;
- (b) service performance criteria that are suitable in order to prepare service performance information in accordance with Public Benefit Entity Standards Reduced Disclosure Regime; and
- (c) such internal control as the trustees determine is necessary to enable the preparation of financial statements and service performance information that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible, on behalf of cbm New Zealand, for assessing cbm New Zealand's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless trustees either intend to liquidate cbm New Zealand or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole, and the service performance information, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of this financial report. A further description of the auditor's responsibilities for the audit of the financial report is located at the XRB's website at:

<https://www.xrb.govt.nz/assurance-standards/auditors-responsibilities/audit-report-14/>

Who we report to

This report is made solely to the trustees, as a body. Our audit has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than cbm New Zealand and the trustees as a body, for our work, for this report, or for the opinions we have formed.

RSM Hayes Audit
Auckland

19 June 2024

Statement of Service Performance

For the year ended 31 December 2023

The Statement of Service Performance below describes the function and outputs of **cbm** New Zealand. For further information about the outcomes achieved for people with disabilities through **cbm** New Zealand funding, please see our Impact Report on our website at <https://www.cbmnz.org.nz/financial-information/>.

In preparing the Statement of Service Performance, judgments are used to determine the measures used in the report. Performance is measured against our strategic plan. Our strategic plan is formulated to assist us in working towards our vision and mission in a manner that aligns with our values. Progress against our strategic plan is tracked, then reported regularly to our Board, and these results inform our future activities. Comparative information has been provided in the Statement of Service Performance for all measures reported.

1 Who We Are:

cbm New Zealand is a proud member of the CBM Global Federation and works alongside people with disabilities in the world's poorest places. Drawing on over 100 years of experience and driven by Christian values, **cbm** works with the most marginalised in society to break the cycle of poverty and disability, and to build inclusive communities where everyone can enjoy their human rights and fulfil their full potential. **cbm** has been in New Zealand for over 30 years, raising funds, advocating and educating supporters, churches, the public and other international development agencies on the importance of disability inclusion.

Our Vision: An inclusive world in which all people with disabilities enjoy their human rights and achieve their full potential

Our Mission: Fighting to end the cycle of poverty and disability

Our Values:

- **We Champion Inclusion**

We believe everyone is equal before God. We are passionate about working with people with disabilities to build a world in which all people are included, valued and respected.

- **We Strive for Justice**

We work for positive change, inspired by a vision of a just and equitable world. We will model justice and faithful love as Jesus did, serving those in greatest need, regardless of race, gender, age or religious belief.

- **We Pursue Excellence**

We are committed to achieving the greatest possible impact from the resources entrusted to us, attaining high quality in all our work. We challenge ourselves to constantly learn, innovate and improve.

- **We Embrace Partnership**

We achieve more when we work with others. We commit to partnership, listening and learning together. We collaborate creatively with partners, supporters, governments and colleagues to achieve lasting change.

- **We Live with Integrity**

We show God's character by seeking to live by our values and fulfil our commitments. We hold ourselves accountable to our supporters and those we serve, seeking to live authentically, responsibly and honestly.

Statement of Service Performance**For the year ended 31 December 2023****2 What We Do:**

We provide funding, disability inclusion advice, organisational strengthening and partnership with individuals and organisations in developing nations to assist people living with disabilities and poverty to enjoy their human rights and reach their full potential.

This includes partner assessments and audits, training of individuals and organisations, visits to partners and programmes, and advisory work around disability inclusion and disaster preparedness. Our work is guided by our mission, vision and values.

The work is enabled through the dedication of a skilled programmes team in New Zealand, as well as our CBM Global colleagues around the world. It is made possible by the specialist work of our support team, communicating regularly with our donors and funding partners, and providing the administration, finance and compliance roles to ensure accountability and integrity are maintained in all we do.

We are grateful for the time, care and skill donated to us by our volunteers and Board of Trustees who assist to advance our mission.

In 2023, **cbm** New Zealand funded work in 14 countries in the Pacific, Asia and Africa investing in long-term, authentic partnership with the disability movement, maximising its impact through a coordinated mix of inclusive community-based programmes, local to global advocacy and delivering inclusion advice to other organisations (2022 – 16).

Strategic Goals: Activity and Outputs

In 2022, **cbm** New Zealand extended its 3 year strategy to five years, out to the end of 2024. The following table shows our performance against our Five Strategic Goals, to grow and strengthen the work of **cbm** New Zealand.

Goal One: Inspire <i>Inspire donors to transform even more lives by showing the impact of their giving and by nurturing quality partnerships</i>	
2023 Activity and Outputs	2022 Activity and Outputs
<ul style="list-style-type: none"> Continued developing our supporter journey with targeted segmentation and improved reporting. Continued our engagement with supporters who have confirmed bequests in their wills, through written and phone communication. Worked with SafeWill, an online will provider to offer free will writing to our supporters. Continued to nurture our high and major donors via personal visits, phone calls, appeal letters and eDMs and programme updates. Continued strengthening supporter communications with more frequent reports showing the impact of their giving. 	<ul style="list-style-type: none"> Increased our engagement with supporters who have confirmed bequests in their wills, through written and phone communication. Significant private grant funding was received towards overseas projects over three years. (This income in advance is reflected in our Statement of Financial Position. The portion already sent to overseas projects in 2022 has been included in Major Donor income). Visits conducted to over 10 cities, including to churches, pastors, current and potential supporters and Trusts. Supporter communications were strengthened, including a new newsletter to eye care supporters, virtual meetings to give our supporters up-to-date reports on programmes, and a re-designed website.

Statement of Service Performance

For the year ended 31 December 2023

Goal Two: Attract <i>Attract high quality new donors, growing their trust in cbm</i>	
2023 Activity and Outputs	2022 Activity and Outputs
<ul style="list-style-type: none"> Continued developing church resources for speaking at church services and for Advent. Produced content for Christian and other selected publications to engage with Christian audience and networks. Attended and spoke at Christian conferences and prayer events. Engaged with healthcare professionals, business networks and schools to bring awareness of cbm. Continued promoting our e-card digital platform. Response and supporter eDM for persons with disabilities for the Nepal earthquake. 	<ul style="list-style-type: none"> Developed resources for church speaking; Our Advent resource was utilised by churches and individuals. New digital platform for gifts through e-cards, and for Dr-to-Dr engagement, using field doctors to connect to NZ medical professionals. 'Miracles Day' with Rhema Media saw increase of 15% in donations. cbm hosted a panel of people with disabilities at the Justice Conference and funded NZSL interpreters. Response and supporter appeal for persons with disabilities for the Tonga earthquake and tsunami.

Goal Three: Impact <i>Deliver high impact programs that empower people with disabilities for inclusion and advancement.</i>	
2023 Activity and Outputs	2022 Activity and Outputs
<ul style="list-style-type: none"> Concept for MFAT funding for rehabilitation to empower women in PNG was successful and combined with the Eye Health project for women's empowerment. This aims to result in a more comprehensive programme to increase impact. An extension of the Inclusive Eye Health project, with additional MFAT funding, has enabled partners and institutions to strengthen responses to critical eye health challenges in PNG. Concept stage approval for climate finance project in Solomon Islands. Funding proposals for Disaster Response with MFAT were successful for Rohingya refugee crisis response in Bangladesh and Drought in Kenya. Strengthened implementation of disability inclusive farming project in Laos to enhance people's livelihoods. 	<ul style="list-style-type: none"> Successful in new funding proposals for MFAT on women's empowerment in PNG; Rohingya refugees in Bangladesh; and for a second year of Covid-19 response in PNG. Completed design for new inclusive livelihoods project for Laos. We shared best practice models on locally led development with other NZ-based international development agencies and MFAT, in public presentations. Provided disability inclusive advice to programmes of two NZ-based international development agencies working in the Pacific.

Statement of Service Performance

For the year ended 31 December 2023

Goal Four: Serve <i>Smoothly serve our stakeholders, meeting information needs with excellence, cost-efficiency and integrity</i>	
2023 Activity and Outputs	2022 Activity and Outputs
<ul style="list-style-type: none"> Operational and fundraising costs were 7% under budget at 2023 year-end. Significant upgrade of donor database system to improve processing, efficiency and accessibility. Ongoing cyber security training. Our PNG Country Office began operations, employing local staff and an expat ophthalmologist. Ongoing investment of time and resources by NZ based team in developing cbm-PNG country office operations, systems and processes. Collaborated on audits of one Pacific & three PNG programmes. Carried out partner assessments in the Pacific Islands. 	<ul style="list-style-type: none"> Operational and fundraising costs were 5% under budget at 2022 year-end. We increased staff training in cyber incidents and in privacy requirements for donor information. We were granted registration from the PNG overseas investment office for cbm-PNG country office. Investment of time and resources to support and train senior management of PNG partner, strengthening systems and processes for implementation and compliance requirements. Collaborated on audits of one Pacific & three PNG programmes. Carried out partner assessments in the Pacific Islands.

Goal Five Love <i>Create a respectful, high-trust culture within our office and towards cbm Global, fostering collaboration, creativity, excellence and love of people we serve</i>	
2023 Activity and Outputs	2022 Activity and Outputs
<ul style="list-style-type: none"> Undertook cultural competence training to enhance our working relationships with partners and stakeholders across all areas and locations of our work. Produced five podcasts on accessibility and inclusion for disability awareness and education. Participation in two Christian conferences, including panel discussions and provision of NZSL interpreters. Finalised CBM Global Pacific Strategy with cbm-Australia. 	<ul style="list-style-type: none"> Increased relationship with people with disability in NZ, with Deaf culture workshop and disability and faith conference participation. Staff followed Covid-19 office protocols after return to office. Training delivered to staff on safety and security, travel procedures, and safeguarding. Development of CBM Global Pacific Strategy with cbm-Australia.

3 Our Impact Overseas

Every programme supported by **cbm** New Zealand is implemented and monitored in coordination with CBM Global country offices and partners, following a set of indicators and an impact reporting methodology to measure the delivery of every project. This includes monitoring and evaluation visits conducted by both our New Zealand based staff and CBM Global colleagues. **cbm** New Zealand staff conducted visits to six partner countries in 2023 (2022 – four).

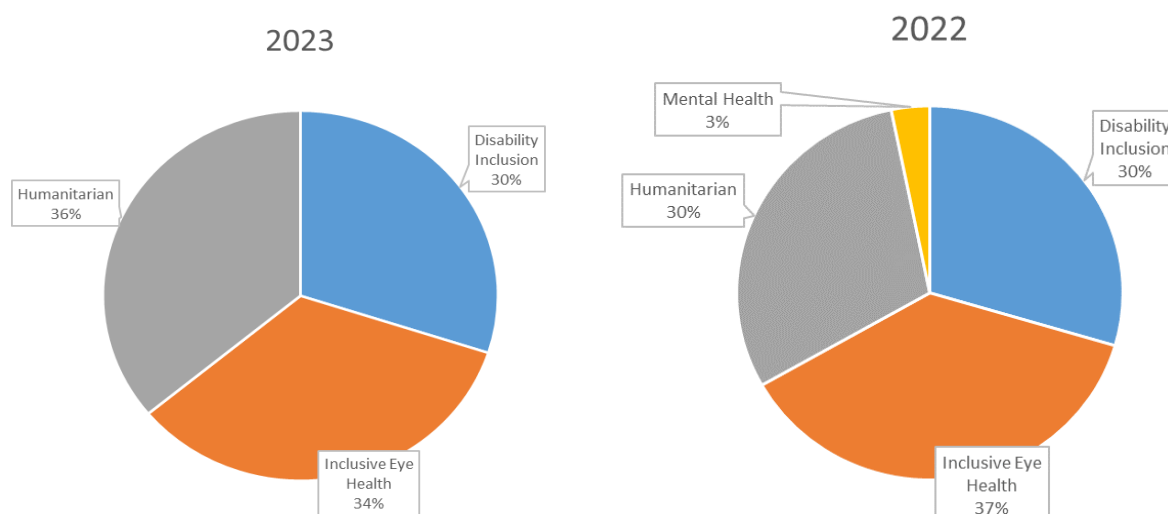

3.1 Areas of Work of Our Overseas Partnerships

We support programmes across a variety of thematic areas in which CBM Global Disability Inclusion is active. Our spread of programmes spending across these areas is as follows:

Statement of Service Performance

For the year ended 31 December 2023

- In 2023, **Humanitarian programmes** had the highest volume of funding, at 36%, due to the food crisis in Kenya, Rohingya refugee programmes in Bangladesh and completion of COVID-19 programme in Papua New Guinea. (2022 - 30% of our programmes spend largely supporting the food crisis in 3 African countries as well as the Rohingya crisis, and COVID-19 response for PNG).
- The second greatest investment in 2023 was **Inclusive Eye Health** programmes at 34%. We funded programmes in Zimbabwe, Nigeria and Papua New Guinea where partners and institutions have strengthened support for critical eye health challenges and returned sight to people with visual impairment. (In 2022, the largest percentage (37%) of the programmes investment was Inclusive Eye Health).
- **Community Based Inclusive Development** (CBID) programmes such as physical rehabilitation, orthopaedic care, obstetric fistula, inclusive education, inclusive livelihoods and empowerment of the disability movement in Nepal, Nigeria, Laos, Madagascar and the Pacific comprised 30% of our spend. (2022 – second greatest investment (30% of the programmes expenditure) was on CBID, delivering rehabilitation services, orthopaedic care, obstetric fistula, inclusive education, inclusive livelihoods and empowerment of the disability movement.)
- In 2022, we completed our support of the 'Second Chance' programme in Burkina Faso, so there was no further investment in 2023. This **Community Mental Health** programme comprised 3% of our programmes spend in 2022.

3.2 Geographic Footprint of our Overseas Partnerships

In 2023, **cbm** funded **16** projects in **14** countries, through **16** partners (2022: **cbm** funded **18** projects in **16** countries, through **15** partners).

In 2023, we funded partners to work in:

- **Africa:** *Burkina Faso, Kenya, Madagascar, Nigeria, Zimbabwe*
- **Asia:** *Bangladesh, Laos and Nepal*
- **Pacific:** *Cook Islands, Fiji, Papua New Guinea, Samoa, Solomon Islands and Tonga*

In 2022, we funded partners to work in:

- **Africa:** *Burkina Faso, Kenya, Madagascar, Nigeria, Zimbabwe*
- **Asia:** *Bangladesh, Indonesia, Laos and Nepal*
- **Pacific:** *Cook Islands, Fiji, Kiribati, Papua New Guinea, Samoa, Solomon Islands and Tonga*

Statement of Service Performance

For the year ended 31 December 2023

The Pacific remained the dominant region for **cbm** New Zealand in terms of investment across both years due to the partnership with the Ministry of Foreign Affairs and Trade that has a special focus in the Pacific Region.

3.3 Papua New Guinea Country Office Establishment

2023 saw the establishment of a physical office for our PNG Country team, with recruitment of staff, and deployment of an ophthalmologist. We have also opened a bank account in Papua New Guinea. Together with the expertise of CBM Global, we are strengthening capacity for partner development, delivery, monitoring and reporting. Our in-country team has been able to assist with partner capacity assessments and has been integral in the establishment of the new Vision Centre in Goroka. We gratefully acknowledge the significant contribution from Onesight Essilor-Luxottica Foundation in this work. Due to delays and updates in progress in the Investment Promotion Authority (IPA) legislation, our application for IPA and tax exemption was still pending at year end.

3.4 Partnership with New Zealand Ministry of Foreign Affairs and Trade (MFAT)

We partner with MFAT to deliver high impact programmes that empower people with disabilities for inclusion and advancement, where there is alignment between MFAT and with CBM Global priorities. We utilised MFAT funding for 6 of our programmes in 2023, including 1 new programme and the completion of 2 programmes (2022: 8 programmes, including 2 new programmes and the completion of 3 programmes). Annual reports are submitted to MFAT for each programme, as well as completion reports at the end of each programme.

During 2022 and 2023, we also advocated for disability inclusion through Te Rōpu o Ngā Toroa, the reference group of MFAT. We promote disability inclusion to MFAT partners.

Statement of Service Performance

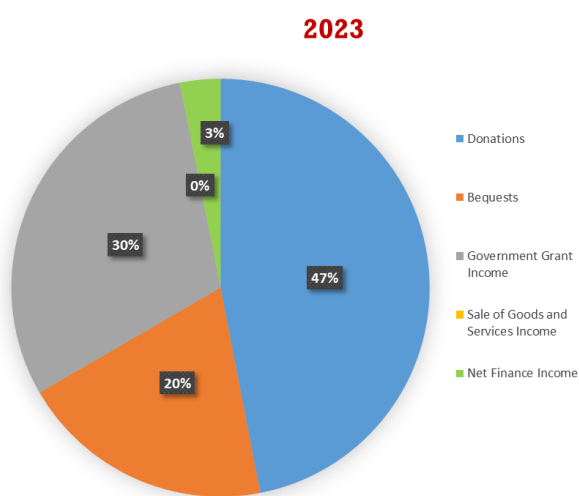

For the year ended 31 December 2023

4) How we fund what we do

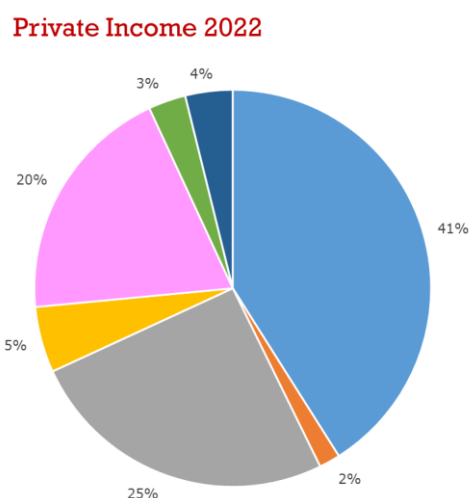

4.1 Where the Money Comes From

cbm New Zealand receives donations and bequests from private individuals and trusts and from the New Zealand Government (see 3.4 above).

In 2023, total income increased from 2022 by 34%. This was enabled through growth of 39% in private income and 19% in government income. We gratefully acknowledge a generous donor who left us a significant bequest, the third highest ever received. This has a large impact on the split of income types below.

cbm New Zealand income from private sources was received via our direct mail appeals, regular giving, major donor programme, donor acquisition campaigns, and emergency (humanitarian) appeals.

Statement of Service Performance

For the year ended 31 December 2023

4.2 Government Funding

cbm New Zealand undertakes a due diligence process to be eligible to apply for government funding from the New Zealand Government's Ministry of Foreign Affairs and Trade. We gratefully acknowledge their support, which contributed significant investment for programmes in Laos, Papua New Guinea, Pacific Islands (Samoa, Tonga, Cook Islands and Fiji), Kenya and Bangladesh. (2022: Laos, Papua New Guinea, Pacific Islands (Samoa, Tonga, Cook Islands and Fiji) and Bangladesh). These projects include eye care, inclusive education, disaster preparedness and response, rehabilitation, and inclusive livelihoods. **cbm** New Zealand works in coordination with CBM Global to develop the capacities of our partners and support them to meet accountability and quality standards in the work we do.

Government income for 2023 was \$1.88m compared to \$1.58m in 2022, reflecting growth of 19%, and compared to a previous five year average of \$1.22m. The greatest area of growth has been in the thematic area of Humanitarian Action, followed by Inclusive Eye Health, then Inclusive Development.

MFAT Income by region has changed from 2022 to 2023 as follows, largely due to 2023 funding for the Drought response in Kenya:

Statement of Service Performance
For the year ended 31 December 2023

4.3 How the money was spent

Our spending was split between our main activities as follows:

Impact of Covid-19

In 2023, we completed our final Covid-19 programme in Papua New Guinea, which provided accessible sanitation facilities to schools and education centres. (2022: We caught up with expenditure on programmes activities once Covid-19 restrictions eased, through intense engagement with overseas partners, especially in the Pacific. This resulted in funding to overseas projects even higher than budget.)

The Statement of Cash Flows should be read in conjunction with the notes to the financial statements and audit report.

**Accounting Policies and Notes to the Financial Statements
For the year ended 31 December 2023**

1 REPORTING ENTITY

The financial statements relate to Christian Blind Mission International (New Zealand), operating as **cbm** New Zealand (the "Trust"). The Trust is a registered charity in New Zealand, registered under the Charities Act 2005 (CC 26154).

These financial statements were authorised for issue by the Board of Trustees on the date indicated on page 2.

2 BASIS OF PREPARATION

a) Statement of compliance

The financial statements have been prepared in accordance with the Charities Act 2005 which requires compliance with generally accepted accounting practice in New Zealand ("NZ GAAP").

The Trust is a public benefit entity for the purpose of financial reporting as the underlying principle of any registered charity is the carrying out of a charitable purpose. The Trust complies with Public Benefit Entity Standards. For the purposes of complying with NZ GAAP, the Trust is a public benefit not-for-profit entity and is eligible to apply Tier 2 Not-For-Profit PBE Standards Reduced Disclosure Regime.

All reduced disclosure regime ("RDR") exemptions have been adopted.

b) Measurement basis

The financial statements have been prepared on the historical cost basis.

c) Functional and presentation currency

The financial statements are presented in New Zealand Dollars (\$), which is the functional and presentation currency, rounded to the nearest dollar.

There has been no change in the functional currency of the Trust during the year.

d) Changes in accounting policy

There have been no changes in accounting policies for the current year, and all accounting policies adopted are consistent with those of the previous year. In the prior year, The trust adopted PBE IPSAS 41 Financial Instruments. There were no material changes in recognition or measurement required upon adoption. In 2022, the Trust also adopted PBE FRS 48 Service Performance Reporting.

3 SIGNIFICANT JUDGMENTS AND ESTIMATES

The preparation of the Trust's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Judgements:

In the process of applying the Trust's accounting policies, management has made the following judgement, which has the most significant effect on the amounts recognised in the financial statements:

- Revenue recognition: the recognition of non-exchange revenue (conditions vs restrictions).

b) Assumptions and estimation uncertainties

There are no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

c) Changes in accounting estimates

There have been no changes in the accounting estimates for the current reporting period.

**Accounting Policies and Notes to the Financial Statements
For the year ended 31 December 2023**

GOING CONCERN

These financial statements have been prepared on a going concern basis. The continued use of the going concern assumption is dependent upon the Trust receiving ongoing support from its supporters, funding organisations and the continued success of fundraising activities. The governing body is confident of receiving this ongoing support.

4 SIGNIFICANT ACCOUNTING POLICIES

a) Revenue

Revenue is recognised to the extent that it is probable that the economic benefits or service potential will flow to the Trust and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duty.

The specific recognition criteria described below must also be met before revenue is recognised.

i) Revenue from non-exchange transactions

Non-exchange transactions are those where the Trust receives an inflow of resources (i.e. cash and other tangible or intangible items) but provides no (or nominal) direct consideration in return.

With the exception of services-in-kind, inflows of resources from non-exchange transactions are only recognised as assets where both:

- It is probable that the associated future economic benefit or service potential will flow to the entity; and
- Fair value is reliably measurable.

Inflows of resources from non-exchange transactions that are recognised as assets are recognised as non-exchange revenue, to the extent that a liability is not recognised in respect to the same inflow.

Liabilities are recognised in relation to inflows of resources from non-exchange transactions when there is a resulting present obligation as a result of the non-exchange transactions, where both:

- It is probable that an outflow of resources embodying future economic benefit or service potential will be required to settle the obligation; and
- The amount of the obligation can be reliably estimated.

Grants, Donations and Bequests

The recognition of non-exchange revenue from government and private grants depends on the nature of any stipulations attached to the inflow of resources received and whether this creates a liability (i.e. present obligation), rather than the recognition of revenue.

Stipulations that are 'conditions' specifically require the Trust to return the inflow of resources received if they are not utilised in the way stipulated, resulting in the recognition of a non-exchange liability that is subsequently recognised as non-exchange revenue as and when the 'conditions' are satisfied.

Stipulations that are 'restrictions' do not specifically require the Trust to return the inflow of resources received if they are not utilised in the way stipulated and therefore, do not result in the recognition of a non-exchange liability, which results in the immediate recognition of non-exchange revenue.

Income from government and private grants are recognised when it is probable that the associated future economic benefit or service potential will flow to the entity, the fair value is reliably measurable, and there is no associated liability in respect of the same inflow.

Revenue from donations and bequests are recognised when the donation or bequest is received.

Revenue from fundraising activities is recognised at the point where cash is received.

ii) Revenue from exchange transactions

Exchange transactions are those where the Trust receives an inflow of resources (i.e. cash and other tangible or intangible items) and directly gives approximately equal value (primarily in the form of cash, goods, services, or use of assets) to another entity in exchange.

Interest received

Interest income is recognised as it accrues using the effective interest rate. Effective interest rate is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset or liability.

Interest income is included in finance income in the Statement of Comprehensive Revenue and Expense.

Accounting Policies and Notes to the Financial Statements
For the year ended 31 December 2023

b) Employee benefits

i) Short term employee benefits

Short-term employee benefit liabilities are recognised when the Trust has a legal or constructive obligation to remunerate employees for services provided within 12 months of reporting date, and is measured on an undiscounted basis and expensed in the period in which employment services are provided.

c) Financial instruments

Financial assets and financial liabilities are recognised when the Trust becomes a party to the contractual provisions of the financial instrument.

The Trust derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Trust is recognised as a separate asset or liability.

The Trust derecognises a financial liability when its contractual obligations are discharged, cancelled, or expire.

The Trust also derecognises financial assets and financial liabilities when there have been significant changes to the terms and/or the amount of contractual payments to be received/paid.

Financial assets and liabilities are offset and the net amount presented in the Statement of Financial Position when, and only when, the Trust has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

The Trust classifies financial assets as financial assets at fair value through surplus or deficit or measured at amortised cost. The classification depends on the Trust's business model for managing the financial assets and the contractual terms of the cash flows.

Financial assets at fair value through surplus or deficit

Financial assets that do not meet the criteria for amortised cost are measured at fair value through surplus or deficit.

Assets in this category are classified as current assets if expected to be settled within 12 months, otherwise they are classified as non current.

Amortised cost

The Trust classifies its financial assets as at amortised cost only if both of the following criteria are met:

- the asset is held within a business model with the objective of collecting the contractual cash flows, and
- the contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

These assets are subsequently measured at amortised cost using the effective interest method.

Initial recognition

At initial recognition, the Trust measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through surplus or deficit, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through surplus or deficit are expensed in surplus or deficit.

Impairment of financial assets

The Trust assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The Trust applies the simplified approach to providing for expected credit losses prescribed by PBE IPSAS 41, which permits the use of the lifetime expected losses for all trade receivables. Given the low risk of default on other financial assets (primarily short-term deposits with financial institutions with a strong credit rating), other expected credit losses have been assessed to be immaterial.

In the prior year, the impairment of trade receivables was assessed based on the incurred loss model. Individual receivables which were known to be uncollectible were written off by reducing the carrying amount directly. The other receivables were assessed collectively, to determine whether there was objective evidence that an impairment had been incurred but not yet been identified.

Interest income

Interest income from financial assets at amortised cost is included in finance income using the effective interest rate method.

d) Cash and cash equivalents

Cash and cash equivalents in the statement of financial position comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purposes of the Statement of Cash Flows, cash and cash equivalents consist of cash and cash equivalents as defined above.

**Accounting Policies and Notes to the Financial Statements
For the year ended 31 December 2023**

Financial liabilities classified as amortised cost are non-derivative financial liabilities that are not classified as fair value through surplus or deficit financial liabilities.

Financial liabilities classified as amortised cost are subsequently measured at amortised cost using the effective interest method.

Financial liabilities classified as amortised cost comprise payables.

e) Property, plant and equipment

i) Recognition and measurement

Items of property, plant and equipment are initially measured at cost, except those acquired through non-exchange transactions which are instead measured at fair value as their deemed cost at initial recognition.

Items of property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment.

Cost includes expenditure that is directly attributable to the acquisition of the asset.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in surplus or deficit.

ii) Subsequent expenditure

Subsequent expenditure is capitalised only when it is probable that the future economic benefits associated with the expenditure will flow to the Trust. Ongoing repairs and maintenance is expensed as incurred.

iii) Depreciation

For property, plant and equipment, depreciation is based on the cost of an asset less its residual value.

Depreciation is recognised in surplus or deficit on a straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment.

Depreciation methods, useful lives, and residual values are reviewed at reporting date and adjusted if appropriate.

The current rates of depreciation applied are:

<u>Asset Class</u>	<u>Rate</u>	<u>Estimated Life</u>
Building	3%	33½ years
Property improvements	10%	10 years
Computer equipment and software	33.3%	3 years
Office furniture and equipment	12.5%-33.3%	3 - 8 years
Motor vehicle	33.3%	3 years

f) Impairment of non-financial assets

The carrying amounts of the Trust's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of cash generating asset or non-cash generating asset is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the future remaining service potential (for non-cash generating assets) is discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

Impairment losses are recognised in surplus or deficit. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

g) Equity

Equity is measured as the difference between total assets and total liabilities. Equity is made up of the following components:

Accumulated comprehensive revenue and expense

Accumulated comprehensive revenue and expense is the Trust's accumulated surplus or deficit since the formation of the Trust adjusted for transfers to/from specific reserves.

**Accounting Policies and Notes to the Financial Statements
For the year ended 31 December 2023**

Tagged funds reserve

The Tagged funds reserve includes those bequests where donors have provided stipulations about their use or where the Board has tagged funds for future investment and capacity building separate from ongoing operations of the Trust.

h) Income Tax

Due to its charitable status, the Trust is exempt from income tax.

i) Goods and services tax

All amounts are shown exclusive of goods and services tax (GST), except for receivables and payables that are stated inclusive of GST.

j) Leases

i) Classification and treatment

Leases in terms of which the Trust assumes substantially all the risks and rewards of ownership are classified as finance leases.

Finance leases

Upon initial recognition the leased asset is measured at an amount equal to the lower of its fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset.

Operating leases

Operating leases are leases that do not transfer substantially all the risks and benefits incidental to ownership of the leased item to the Trust. Operating lease payments are recognised as an operating expense in surplus or deficit on a straight-line basis over the lease term.

k) Volunteer Services

The Trust gratefully acknowledges all the volunteers who donate their time to support the organisation. In addition to the Board of Trustees, the Trust is assisted by additional volunteers who complement other areas of the organisations activities. As there is no identifiable fair and objective means of valuing their time, the efforts of the volunteers are not reflected in the Financial Report.

13 RELATED PARTY TRANSACTIONS AND BALANCES
Related party transactions

During 2023, members of the Board of Trustees made monetary donations to the Trust to the value of \$1,880 (2022: \$9,850) and donated approximately 820 hours of time (2022: 710 hours).

Council for International Development (CID) was a related party due to cbm's CEO being 1 of 9 board members of CID until 27 June 2023. 2023 membership fees were paid after this date. These fees are charged on an arm's length basis. CID membership fees of \$5,878 are included in programme expenditure in 2022.

Emergency Alliance (EA) is a related party due to cbm's CEO being 1 of 4 board members of EA. EA charges membership fees on an arm's length basis. EA fees of \$10,000 are included in fundraising and marketing costs for 2023 (2022 - nil) and \$10,000 for 2024 are included in prepayments at year end.

Key management personnel compensation

The total remuneration to key management personnel for the year was as follows:

	2023	2022
Senior Management
